### **Coconino County Sheriff's Office Requests Assistance in Locating a Missing Person**

Flagstaff, AZ – Coconino County Sheriff's Deputies, are attempting to locate missing person Jack Cody who is believed to be disoriented. Mr. Cody was last seen at the Winona Shell Service Station located off of Interstate Highway 40 at the Winona Interchange on Monday, January 18, 2010 at about 2:30 PM.

Investigators believe it is possible that it was Mr. Cody's intent to walk on back or dirt roads to his home located in the area of Mile Post 5 on Leupp Road (Forest Service Road 505). Unfortunately Mr. Cody has not been seen or heard from since.

Jack Cody is described as a 56 year-old Native American male, approximately 5'8" in height and weighing approximately 230 pounds. He has short gray hair and black eyes and was last seen wearing, white cotton roper style gloves, brown roper style boots, a blue hooded sweat shirt, a dark colored knit watch cap and is described as not having any teeth or dentures.

Given the severe winter weather conditions in Northern Arizona since Monday, law enforcement officials and Mr. Cody's family members are very concerned about his welfare.

Anyone with information regarding Jack Cody's whereabouts or his disappearance is urged to call the Coconino County Sheriff's Office at (928) 774-4523 or toll free at 1-800-338-7888.
